Miranda and team,

We've completed the revisions to the QAPP based on your comments and our recent discussion. The clean version is attached and I'll send the redline in another email due to attachment size limitations. Please note that Jayne suggested that we summarize the expertise of the EPA leads in Section X.B. If you'd like to include that information please feel free to add it, otherwise send it to me and I'll incorporate it.

Thanks,

Michelle
